

# Don't Wanna Talk About It

## Deez Nuts

All these mother fuckers pick my brain trying to get in to my head.

All these mother fuckers pressin' me, I wish they'd breathe their last breath.

Please run it past your brain before you're mouths fixin' to spit out some shit.

You don't know what I've been through and I don't wanna talk about it.

I don't wanna talk about it. All you mother fuckers keep picking, you'll never get inside my head.

All these mother fuckers pressin' me, I wish they'd breathe their last breath.

Please run it past your brain before you're mouths fixin' to spit out some shit.

You don't know what I've been through and I don't wanna talk about it. You don't know what I've been through  
and I don't wanna talk about it.

You don't know what I've been through and I don't wanna talk about it.
