I've Just Seen a Face

Jim Sturgess

I've just seen a face
I can't forget the time or place
Where we just met
She's just the girl for me
And I want all the world to see
We've met, mmm, mmm, mmm, mmm, mmmHad it been another day
I might have looked the other way
And I'd have never been aware
But as it is I'll dream of her
Tonight, di, di, di, di 'n' diFalling, yes, I am falling
And she keeps calling
Me back againI have never known
The like of this, I've been alone
And I have missed things
And kept out of sight
But other girls were never quite
Like this, mmm mmm mmm mmm mmmFalling, yes, I am falling
And she keeps calling
Me back againFalling, yes I am falling
And she keeps calling
Me back againFalling, yes, I am falling
And she keeps calling
Me back againOh, falling, yes, I am falling
And she keeps calling
Me back again
