

Beside You in Time

Nine Inch Nails

I am all alone this time around
Sometimes on the side I hear a sound
Places parallel I know it's you
Feel the little pieces bleeding through
And on, and on, and on, and on, and on, and on, and on
And on, and on, and on, and on, and on, and on, and on
This goes on
And on, and on, and on, and on, and on, and on, and on
Now that I've decided not to stay
I can feel me start to fade away
Everything is back where it belongs
I will be beside you before long
And on, and on, and on, and on, and on, and on, and on
And on, and on, and on, and on, and on, and on, and on
This goes on
And on, and on, and on, and on, and on, and on, and on
