Hercules

Paul Weller

All we fear, is fear itself
Check our your own backyard before you check out someone else
Railroad track, in my neighborhood
Ain't no trains around this place, just ain't no goodAnd all I know, is what's going down,
When the dealer on the corner looks like the sharpest cat in town
Jungle rule, can't be no fool
Might get caught by the hook or crook, no time for coolLook out kid, what you did, what you carrying brother
I hope you're clean cause the man is mean, don't come another furtherWe all know the answers, must come out in time
I might even carry some of your load, right along with mineThank you ma'am, mister please
But I must be Hercules
I must be HerculesLike a bird, on the wing
I just wanna be free enough to do my thing
I can feel the pressure, from every side
If you don't wanna help, don't hurt, just stand asideWe all know the answers, must come out in time
I might even carry some of your load, right along with mineThank you ma'am, mister please
But I must be Hercules
Hercules
Oh HerculesHercules
I must be HerculesGot your feet, in the sand
Got to be down with the cats in town, but still got the face the manTalk about me if you please but I must be Hercules
Hercules
Oh HerculesTalk about me if you please but I must be Hercules
Must be Hercules.
