

# Hercules

Paul Weller

All we fear, is fear itself  
Check out your own backyard before you check out someone else  
Railroad track, in my neighborhood  
Ain't no trains around this place, just ain't no good  
And all I know, is what's going down,  
When the dealer on the corner looks like the sharpest cat in town  
Jungle rule, can't be no fool  
Might get caught by the hook or crook, no time for cool  
Look out kid, what you did, what you carrying brother  
I hope you're clean cause the man is mean, don't come another further  
We all know the answers, must come out  
in time  
I might even carry some of your load, right along with mine  
Thank you ma'am, mister please  
But I must be Hercules  
I must be Hercules  
Like a bird, on the wing  
I just wanna be free enough to do my thing  
I can feel the pressure, from every side  
If you don't wanna help, don't hurt, just stand aside  
We all know the answers, must come out in time  
I might even carry some of your load, right along with mine  
Thank you ma'am, mister please  
But I must be Hercules  
Hercules  
Oh Hercules  
Hercules  
I must be Hercules  
Got your feet, in the sand  
Got to be down with the cats in town, but still got the face the man  
Talk about me if you please but I must be  
Hercules  
Hercules  
Oh Hercules  
Talk about me if you please but I must be Hercules  
Must be Hercules.
