# I Don't Know

## Nick Hakim

Here's a toast to you, it's been too long
We'll drink until the night is gone
Where did you go?
What have you seen?
And over there, there's an air taste differently?
Where did you go?
Where did you go?
I don't know
Where did you go?
Where did you go?
I don't know. I don't know
But I know you're watching over me,
You help us through the good and through the pain we breathe
One day we'll wake up from this crazy dream,
and we'll meet again after my lights dim out,
And I'll be wondering
Where will we go?
Where will we go?
I don't know
Where will we go?
Where will we go?
I don't know. I don't know
Where will we go?
Where will we go?
I don't know
Where will we go?
Where will we go?
I don't know. I don't know
