# Addictive

## Cut Chemist

He is your dictator, he is your saviour,
He's the son of the devil, he's on the other level,
He don't want society, he doesn't want you,
He doesn't want to see he, needs you to want him too.The strange gets stranger,
The truth is better than fiction,
Whether or not you like it,
Your always low when he's high,
Danger, danger
Is how it gets repeated,
I think I got the fever,
I think he's gettin' heated.Now I heard people say that, he's a leader,
And some others say, he's a deceiver,
I think I'm falling for him, I'm a believer,He's afflicted,
So addictive,
He's so addictive,
So addictive,
He's so addictive hey,Hey everyone here comes your, concious rapper,
He's your bobo shotty, he's your holy, holy,
He gon', jump the turnstyle, he's right behind you,
He'll take you out to see that, theres nothing else to do.The strange gets stranger,
The truth is better than fiction,
He's always up when your down,
Your always low when he's high,
Danger, danger,
Is how it gets repeated
I think I'll do the pogo,
I think he's gettin' heated,Now I heard people say that, he's a leader,
And some others say, he's a deceiver,
I think I'm falling for him, I'm a believer,He's afflicted,
So addictive,
He's so addictive,
So addictive,
He's so addictive hey,His feelings gone, and its on, and its on and its all,
And its gone, and its gone, and its on and its all,
And its gone, and its on, and its on, and its on and its,He come here whistlin' sometimes,
Your sweet destruction, he's the,
Coo-coolest gangsta, the most wanted in your wanted poster,
He gonna make you do what, you never wanted to do,
Your havin fun with him while he's jus' gettin' started with you,The strange gets stranger,

The truth is better than fiction,
Whether you like it or not,
Your always low when he's high,
Danger, danger,
Is how it gets repeated,
I think he's got the lighter,
I think hes gettin heated.
