

# Hit the Ground Running

[Danny Wooten](#)

Daddy's little angel only 3 years old  
Waits by the door for him to come home  
Holds out her arms and says' "I love you"  
Smiles real wide with her eyes so blue

She's gonna break his heart ya know some day  
She's like her mama in a lot of ways

Daddy's little girl, daddy's little girl  
Apple of my eyelove that girl til the day that I die  
I'll be with you when you're not here  
My love love for you is always near, You're Daddy's little girl.

Over and over I've been there before  
She's seventeen and he's 24.  
But not a good chance that I'll let it fly  
A lot of good reasons and I'll tell ya why

She's gonna break his heart ya know some day  
She's like her mama in a lot of ways

Daddy's little girl, daddy's little girl  
Apple of my eyelove that girl til the day that I die  
I'll be with you when you're not here  
My love love for you is always near, You're Daddy's little girl.
