

# Dear Fans of the Stereo

## The Stereo

i can't go on thinking it's all because of me  
it's wrong to sing this song without a shout to these  
people that made all of this possible  
the people i adore  
yes i know my time is short so i will state my point of view  
all the crazy things i get to do  
is all because of you  
it's all thanks to you!
