I Still Worship You

Caleb Collins

<>
When I can barely speak your name,
Iâ€™ll worship you, still worship you.
I am silenced by the pain
Iâ€™ll worship you, still worship you.

<>
'Cause You're still worthy of glory
And You're still worthy of praise
And all I need is there for me
When I bless Your Name
(When I bless Your Name) (2X)

<>
When I am broken and alone
Iâ€™ll worship You, still worship You
And when my strength is nearly gone
Iâ€™ll worship You, still worship You

<>
Hallelujah, hallelujah, hallelujah
Again and again
Hallelujah, hallelujah, hallelujah
Amen and amen

<> --> Transpose Key up...

<>
Hallelujah, hallelujah, hallelujah
Again and again
Hallelujah, hallelujah, hallelujah
Amen and amen

When I can barely speak your name,
Iâ€™ll worship you, still worship you.
