

# The Bluest Eyes In Texas

## Restless Heart

That lonesome Texas sun was setting slow  
And in the rearview mirror, I watched it go  
I can still see the wind in her golden hair  
I close my eyes for a moment, I'm still there

The bluest eyes in Texas

Are haunting me tonight

Like the stars that fill the midnight sky

Her memory fills my mind

Where did I go wrong?

Did I wait too long? Or can I make it right?

The bluest eyes in Texas

Are haunting me tonight

Another town, another hotel room

Another dream that ended way too soon

Left me lonely prayin' before the dawn

Searching for the strength to carry on

The bluest eyes in Texas

Are haunting me tonight

Like the stars that fill the midnight sky

Her memory fills my mind

Where did I go wrong?

Did I wait too long? Or can I make it right?

The bluest eyes in Texas

Are haunting me tonight

For every heart you break, you pay a price

But I can't forget the tears in her blue eyes

The bluest eyes in Texas

Are haunting me tonight

Like the stars that fill the midnight sky

Her memory fills my mind

Where did I go wrong?

Did I wait too long? How can I make it right?

The bluest eyes in Texas

Are haunting me tonight

The bluest eyes in Texas

Are haunting me tonight
