

# Big Time Rush

## Big Time Rush

Make it count, play it straight  
Don't look back, don't hesitate  
When you go big timeWhat you want, what you feel  
Never quit, and make it real  
When you roll big timeHey, hey, listen to your heart now  
Hey, hey, don't you feel the rush?  
Hey, hey, better take your shot now  
Oh, oh, oh, ohGo on shake it up, what you gotta lose?  
Go and make your luck with the life you choose  
If you want it all, lay it on the line  
It's the only life you got, so you gotta live it big timeStep it up, getting gear  
Go for broke, make it clear  
Gotta go big timeMake it work, get it right  
Change the world over night  
Gotta dream big timeHey, hey, give it all you got now  
Hey, hey, isn't it a rush?  
Hey, hey, finish what you start now  
Oh, oh, oh, ohGo on shake it up, what you gotta lose?  
Go and make your luck with the life you choose  
If you want it all, lay it on the line  
It's the only life you got, so you gotta live it big timeLook around  
Everyone is shining now, it's brighter somehow  
Look around  
Nothing's really as it seems, nothing but dreamsYou and I  
Gonna make a brand new sound, like we own this town  
We can fly  
Now our feet are off the ground and never look downWelcome to the big time  
All the pretty people seen walkin' in the sunshine  
Welcome to the good times  
Life will never be the sameGo on shake it up, what you gotta lose?  
Go and make your luck with the life you choose  
If you want it all, lay it on the line  
It's the only life you got, so you gotta live it big timeIf you want it all, lay it on the line  
It's the only life you got, so you gotta live it big time
