Anytime

Brian McKnight

I can't remember, why we fell apart From something that was so meant to be Forever was the promise in our hearts

Now more and more, I wonder where you areDo I ever cross your mind, any time?

Do you ever wake up reaching out for me?

Do I ever cross your mind, any time?

I miss youStill have your picture in a frame

Hear your footsteps down the hall

I swear I hear your voice, driving me insane

How I wish that you would call to sayDo I ever cross your mind, any time?

Do you ever wake up reaching out for me?

Do I ever cross your mind, any time?

I miss you

I miss you

I miss you(No more)

Loneliness and heartache

(No more)

Crying myself to sleep

(No more)

Wondering about tomorrow

Won't you come back to me, come back to me?Do I ever cross your mind, any time?

Do you ever wake up reaching out for me?

Do I ever cross your mind, any time?

I miss youI miss you

I miss you

I miss you
