

Close to You

Olivia Ong

Why do birds
Suddenly appear?
Every time you are near
Just like me
They long to be
Close to you
Why do stars
Fall down from the sky?
Every time you walk by
Just like me
They long to be
Close to you
On the day that you were born
The angels got together and decided
To create a dream come true
So they sprinkled moon dust in your hair
Of gold and starlight in your eyes of blue
That is why all the girls in town
Follow you all around
Just like me
They long to be
Close to you
On the day that you were born
The angels got together and decided
To create a dream come true
So they sprinkled moon dust in your hair
Of gold and starlight in your eyes of blue
That is why all the girls in town
Follow you all around
Just like me
They long to be
Close to you
Just like me
They long to be
Close to you
Close to you
Close to you
(Close to you), close to you
(Close to you), close to you
(Close to you), close to you
(Close to you), close to you
(Close to you), close to you
