

# Kryptonite (Ridvans Superman Remix)

## 3 Doors Down

I took a walk around the world to  
Ease my troubled mind  
I left my body lying somewhere  
In the sands of time  
I watched the world float to the dark  
Side of the moon  
I feel there is nothing I can do, yeah I watched the world float to the  
Dark side of the moon  
After all I knew it had to be something  
To do with you  
I really don't mind what happens now and then  
As long as you'll be my friend at the end If I go crazy then will you still  
Call me Superman  
If I'm alive and well, will you be  
There holding my hand  
I'll keep you by my side with  
My superhuman might  
Kryptonite You called me strong, you called me weak  
But still your secrets I will keep  
You took for granted all the times I  
Never let you down  
You stumbled in and bumped your head, if  
Not for me then you'd be dead  
I picked you up and put you back  
On solid ground If I go crazy then will you still  
Call me Superman  
If I'm alive and well, will you be  
There holding my hand  
I'll keep you by my side with  
My superhuman might  
Kryptonite Oh whoa whoa If I go crazy then will you still  
Call me Superman  
If I'm alive and well, will you be  
There holding my hand  
I'll keep you by my side with  
My superhuman might  
Kryptonite If I go crazy then will you still  
Call me Superman  
If I'm alive and well, will you be

There holding my hand  
I'll keep you by my side with  
My superhuman might  
Kryptonite
