

# One Up The "b" Side

## Ozzy Osbourne

Get it up, keep it up  
As good as you can  
The change is good as the rest is  
To be or not to be when shit hits the fan  
This is the ultimate test One up the b-side Sing it out or shout it out  
The bent overture  
Let me hear it at my request  
You may think it's funny but I don't know why  
It gets it all off your chest One up the b-side One up the b-side I gotta do it  
Just another time or else I'll lose my mind  
The answer's simple and straight to the point  
You can see it coming from behind One up the b-side
