

# We Need a Little Christmas

## Percy Faith

Haul out the holly

Put up the tree before my spirit falls again

Fill up the stocking

I may be rushing things but deck the halls again nowFor we need a little Christmas right this very minute

Candles in the window, carols at the spinet

Yes, we need a little Christmas right this very minute

Hasn't snowed a single flurry, but Santa dear we're in a hurryClimb down the chimney

Turn on the brightest string of lights I've ever seen

Slice up the fruit cake

It's time we've hung some tinsel on the evergreen boughFor I've grown a little leaner, grown a little colder

Grown a little sadder, grown a little older

And I need a little angel sitting on my shoulder

Need a little Christmas nowFor we need a little music, need a little laughter

Need a little singing ringing through the rafter

And we need a little snappy, happy ever after

Need a little Christmas now
