

Macadam Cowboy

Mando Diao

Take this forever sigh
And close your eyes as I step in
Get the mother-blow when you're not there
To get the mother-blow when you're not there, oh
Well, I fake when you make
Something beautiful of nothingness
Get the mother-blow when you're not there
Get the mother-blow when you're not there

Oh, don't cry, my heavy lady
Well, I don't feel anything
Just smile, my purple princess
We'll fly away from
Deep, cheap thrills that eats us alive again
And takes our lives away
And don't forget the one thing I need is you
But I
