

Contessa

Haffi Haff

I know you're sorry,
trapped inside,
livin a dream-nightmare,
want to get out so bad,
Its like you breath hurt,
 dont you
 i know that you
 want to be free
here take my wings oh no
 god knows you've run
 you've tried so hard
here take my wings oh
 oh contessa
you're free from now on
 anda oh contessa
 you're wonderfull
even if you didn't know it no,
 you want to go,
 in the mornin blow,
run noway from the darkness,
 you run from mother,
 moon of the black,
 but you can't take it back,
no no, no, i know that you,
 want to move on,
 here take my heart,
no no, god knows you've tried,
 you've kried so high,
here take my heart, no no,
 oh contessa
 you're free from now on,
anda oh contessa you're wonderfull
even if you didn't know it no,
 i know you wanna go home,
 il take you there,
 il take you there,
 i know you wanna go home,
 il take you there,
 il take you there,

oh contessa
youre free from now on,
anda oh contessa youre wonderfull
even if you didnt know it no,
oh contessa
youre free from now on,
oh contessa
youre free from now on,
even if you didnt know it no,
