George Thorogood

I rode a streak of lightening on the night you said goodbye

I rode a streak of lightening on the night you said goodbye

Well If I never make it baby you can't say I didn't try Well I went up that highway they call highway 95

Well I went up that highway they call highway 95

When I cruise back to you baby your heart will come alive Well I grew up with rock and roll but these blues  
wouldn't leave me alone

Well I grew up with rock and roll but these blues wouldn't leave me alone

I didn't know what they meant 'til I ran far from home

Well alright
