## Goo Goo Dolls

And even though the moment passed me by  
I still can't turn away  
'Cause all the dreams you never thought you'd lose  
Got tossed along the way  
Letters that you never meant to send  
Get lost or thrown away And now we're grown up orphans that never knew their names  
We don't belong to no one, that's a shame  
But if you could hide beside me maybe for a while  
And I won't tell no one your name  
And I won't tell 'em your name Scars are souvenirs you never lose  
The past is never far  
Did you lose yourself somewhere out there  
Did you get to be a star  
Don't it make you sad to know that life  
Is more than who we are You grew up way too fast and now there's nothing to believe  
And reruns all become our history  
A tired song keeps playing on a tired radio  
And I won't tell no one your name  
And I won't tell 'em your name I won't tell 'em your name  
I won't tell 'em your name I think about you all the time  
But I don't need the same  
It's lonely where you are come back down  
I won't tell 'em your name
