

# Neighbors

## The Academy Is...

I took a step back as the room was filling up  
And I was packed against some people  
Who were tossing up a strong vibe  
Now the door's locked and the shower's on  
And I realize I don't recognize anyone but I don't mind Well, the neighbors have complained damn near every  
night  
The neighbors have complained damn near every night You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
With a knock at the door  
The knock at the door as it goes  
Whoa, whoa Well, now everybody's losing control Intoxicated circulation  
Just try to sit back, get my palette wet  
Getting mentally prepared for the consequences  
[Incomprehensible] you know why Because that knock at the door calls the crowd to quiet  
The neighbors have complained damn near every night You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
Give it a rest, give it a rest, give it a rest You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
With a knock at the door  
The knock at the door as it goes  
Whoa, whoa, whoa, whoa There's no one left lying on the second story floorboards  
And I'm sure they heard next door but the bottles are hollow now  
And there's room at the bottom and I would take it back  
If I could, but I won't Sit back, get my palette wet  
Getting mentally prepared for the consequences  
[Incomprehensible] you know why Because the neighbors have complained damn near every night  
The neighbors have complained damn near every night You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
Give it a rest, give it a rest, give it a rest You shoulda shown up, shoulda shown up by now  
You shoulda shown up by now  
With a knock at the door  
The knock at the door as it goes  
Whoa, whoa, whoa, whoa
