Shh

The Gates Of Sleep

Sunbeam, stop tugging me
Pull that door shut, quietly
Darling, what are you doing?
We don't have time for thisCrazy, what are you then?
Give me an hour and I'll give you your dreamsDon't make a sound
Shh and listen
Keep your head down
We're not safe yetDon't make a sound
And be good for me
'Cause I know they're waiting
Somewhere out hereLeave it, I won't go back
We have to do it 'cause it's not been left here
Don't care, what do they know
I've seen them, baby, and I know it's realSure, in time, I knew they'd come
Oh, are we having fun or what?YeahDon't make a sound
Shh and listen
Keep your head down
We're not safe yetDon't make a sound
And be good for me
'Cause I know they're waiting
Somewhere out hereDon't make a sound
Shh and listen
Keep your head down
We're not safe yetDon't make a sound
And be good for me
'Cause I know they're waiting
Somewhere out hereI feel good all over
I feel good all over
I feel good all over
Wear your inside outInside out
Inside out
Inside out
Inside out
