Drummer Boy

Nick Roes

He was a-banging them skins, and a-making that noise.
You know girls really go for those drummer boys.
He come pounding on the door; he go bam bam bam.
He got a great big smile, he says, â€œHello, Maâ€™amâ€•
Iâ€™m the drummer boy, bam bam bam
Iâ€™m the drummer boy, yes I am.
Iâ€™m the drummer boy, bam bam bam
Iâ€™m the drummer boy, yes I am.
Heâ€™s the drummer boy.

Girl you heard me pounding from the house next door.
Youâ€™re just the kind of lady Iâ€™ve been looking for.
Youâ€™re the kind of lady that Iâ€™ve really been missing.
Wonâ€™t you come next door for some hugging and some kissing?
Iâ€™m the drummer boy, bam bam bam
Iâ€™m the drummer boy, yes I am.
Iâ€™m the drummer boy, bam bam bam
Iâ€™m the drummer boy, yes I am.
Heâ€™s the drummer boy.

When I saw you baby, there was bells that rang.
I want to keep the beat going, baby, bang, bang, bang.
I donâ€™t like to brag, but I could get you real hot.
Câ€™mon next door and take a look at what I got.
Iâ€™m the drummer boy, bam bam bam
Iâ€™m the drummer boy, yes I am.
Iâ€™m the drummer boy, bam bam bam
Iâ€™m the drummer boy, yes I am.
Heâ€™s the drummer boy.

So along they went and they closed the door,
And I heard a lot of banging and a-begging for more.
The whole house was shaking, man I thought it was a riot,
Then all of a sudden, it got real quiet.
Then the lady walked out and I looked inside.
I could see the drummer boy been taken for a ride.
Man he looked half dead, didnâ€™t know if he would make it.
And the lady just said, â€œWell I guess he couldnâ€™t take it!â€•
No Iâ€™m the drummer boy, bam bam bam

No more drummer boy, yeah, yeah
Iâ€™m the drummer boy, bam bam bam
Iâ€™m the drummer boy, bam bam bam.
No more drummer boy, yeah, yead.
No more drummer boy.
