

People Get Up And Drive Your Funky Soul

James Brown

I said they're drivin' that funky soul
In Georgia, drivin' that funky soul, drivin' that funky soul
And you cross your tongue in Baltimore
Philadelphia, ha! Join Chicago, St. Louis, Houston
I said Dallas, wow!
Cape Cove, the next-door neighbor
They're drivin' that funky soul Raise up, get yourself together
And drive your funky soul
Raise up, get yourself together
And drive that funky soul And I believe, they're drivin' their self
With that funky soul in Houston, Texas
They're gettin' their self together with the funky soul
In Mobile, Alabama, they gettin' that funky soul Raise up, get yourself together
And drive that funky soul Los Angeles, raise up, get yourself together
And drive that funky soul
Birmingham, raise up get yourself together
And drive that funky soul On the Island Mama
Get yourself together, drive that funky soul
Raise up, get yourself together
And drive that funky soul I'm goin' to get it
I'm goin' to get it
Gotta' get some money
And drive that funky soul. Gotta' get some money
Gotta' get some money
I need a lil' bit a money
Oh, yeah, I need a lil' bit a money Fred, I need a one million
Two million, three million Brotha!
(Yeah)
So what about it?
Will one million be enough?
(Better get two)
Well since my man got three
Well man you better get three
You understand, can I use the three? Take 'em on home Fred
Take 'em! Get up get yourself together
And drive that funky soul Woo!
That is
That is That is, what is that?
Get up, raise up, raise up, raise up

Woo!

Raise up, raise up, raise
Raise on up, get yourself together
Drive that funky soul
Raise up, get yourself together
And drive that funky soul
You don't miss nothin' you never had
But you miss so much you wish you could get, ha!
I guess you can out that together
It takes a man to find a woman
And takes a woman to find what a man used to be
Get up, get on up
Get yourself together
Drive that funky soul
Everybody knows somebody
Who can drive that funky soul?
Everybody knows somebody
Who can drive that funky soul?
Get up, get yourself together
And drive your funky soul
Raise up, get yourself together
And drive that funky soul
Raise up, get yourself together
And drive that funky soul
Raise up, since we had it groovin'
You know
