Take Me Back(www.djmax.xt.pl)

Sylver

Never felt this way before
Since your smile unlocked the door
To let me fall in love again
I'm not frightened anymoreYou were send from up above
As a little piece of heaven
You showered me with love
No taking, only givingTake me back to something
That I lost somehow, somewhere along the way
Take me back to something
That I need somehow, to brighten up my dayLittle angel, young at heart
Full of passion, full of life
You're my ever shining star
Thank you for being who you are
