

Turn It Up

Simply Red

Turn it up, turn it so loud
It don't ever stop
No no no no
Turn it up, makes me so proud
I believe in this feeling Turn it up, turn it so loud
It don't ever stop
No no no no
Turn it up, makes me so proud
I believe in this feeling Well you've lost all the things
That sharing could bring
Thought you were doing right
But violence and flames
And torches and chains are fueling
These new northern lights Like prisoners working
On infertile land
Took eight years to find out the score
If you're sick then you're lonely
Out of work then you're hungry
The sentence is four years more Turn it up, turn it so loud
It don't ever stop
No no no no
Turn it up, makes me so proud
I believe in this feeling Turn it up, turn it up
Right up, right up
Turn it up, turn it up
Right up, right up Who says poverty and race
Can be kept in their place?
By keeping it all underground
And ruling the country
Are unfaithful husbands
Who spank little boys gagged and bound? There's got to be a better way
For you and for me
To turn this hypocrisy 'round
The growth of a nation
Cannot be achieved
By keeping the downtrodden down Turn it up, turn it so loud
It don't ever stop
No no no no
Turn it up, makes me so proud

I believe in this feeling Turn it up, turn it up
Right up, right up
Turn it up, turn it up
Right up, right up There's got to be a better way
For you and for me
To turn this hypocrisy 'round
The growth of a nation
Cannot be achieved
By keeping
The downtrodden down Turn it up, turn it so loud
It don't ever stop
No no no no
Turn it up, makes me so proud
I believe in this feeling Turn it up, turn it so loud
It don't ever stop
No no no no
Turn it up, makes me so proud
I believe in this feeling Turn it up, turn it so loud
It don't ever stop
No no no no
Turn it up, makes me so proud
I believe in this feeling Turn it up, turn it so loud
It don't ever stop
No no no no
Turn it up, makes me so proud
I believe in this feeling
