

# Free Ride In The Fast Lane

## Montgomery Gentry

Where I come from in Kentucky  
There was an old gray headed man  
The day I left he said, Sonny  
Well, I know you got some big plans  
Round here we all think you're something  
But out there that doesn't mean nothing  
There ain't no free ride in the fast lane  
For every ounce of pleasure  
There's a pound of pain  
You better love it if you play this game  
Cause there ain't no free ride in the fast lane  
I made my way to the city  
And met a long-legged beauty queen  
I thought she'd always be with me  
But she played me like a slot machine  
Soon as I ran outta money  
She said you're real cute but honey  
There ain't no free ride in the fast lane  
For every ounce of pleasure there's a pound of pain  
You better love it if you play this game  
Cause there ain't no free ride in the fast lane  
Woke up in Dallas this morning with the mg flu again  
Another party waiting in Houston  
With 10,000 of our closest friends  
Well, I ain't slowing down and I ain't gonna sleep  
Man, cause I got a promise to keep  
Keep baby  
One thing in this life is certain  
You're either dead or you're hurting  
There ain't no free ride in the fast lane  
For every ounce of pleasure there's a pound of pain  
Hey, you better love it if you play this game  
Cause there ain't no free ride in the fast lane  
Jump in and hold on  
Cause we ain't playing no games  
Jump in sit down shut up and hold on  
Kick them mules and let's get the hell outta here
