Broke the Rules

Sean Van der Wilt

Now there you go go again
Getting in my way
ï¿¼ï¿¼The way you ask me all the time
Is making me dizzy
Imagination running wild
With ya baby
The way you hold on to the past is so unfair to meNow all I hears the same old story boring me
Now what have I done to make you
So damn so angry
You need over it girl your so crazy
ï¿¼You need to chill out
Why you being being so Shady eh eh ehNo excuse
You know I know the things I've done to you
Babe you didn't have to be so cruel
You know I know I broke the
You know I know I broke the
You know I know I broke the rules
Yea yea I broke the rulesNow there you go go again
Getting in my way
ï¿¼Ya point the finger at me girl
Give me headache
Imagination running wild with ya baby
I won't be the one to say I'm sorry
But I'm not to blameNow all I hears the same old story boring me
Now what have I done to make you
So damn so angry
You need over it girl your so crazy
ï¿¼You need to chill out
Why you being being so Shady eh eh ehNo excuse
You know I know the things I've done to you
Babe you didn't have to be so cruel
You know I know I broke the
You know I know I broke the
You know I know I broke the rulesExcuse
You know I know the things I've done to you
Babe you didn't have to be so cruel
You know I know I broke the
You know I know I broke the
You know I know I broke the rulesI broke the rules

I crossed the line
Ya holding back so much inside
Ya play it cool
Ya keepin' score
Let's settle this once and for all
Cause all you been doin' is tryin'da get even
And after you told me that all was forgiven
I'm sick 'n' I'm tired, spinnin' and wired
Just trying to find someway to start a new
Because you know
I broke the rulesNow all I hears the same old story boring me
Now what have I done to make you
So damn so angry
You need over it girl your so crazy
ï¿¼You need to chill out
Why you being being so Shady eh eh ehNo excuse
You know I know the things I've done to you
Babe you didn't have to be so cruel
You know I know I broke the
You know I know I broke the
You know I know I broke the rulesExcuse
You know I know the things I've done to you
Babe you didn't have to be so cruel
You know I know I broke the
You know I know I broke the
You know I know I broke the rulesYea yea
I broke the rulesYea
I broke the rules
