

The Static Age

Green Day

Can you hear the sound of the static noise
Blasting out in stereo?
Cater to the class and the paranoid
Music to my nervous systemAdvertising love and religion
Murder on the airwaves
Slogans on the brink of corruption
Visions of blasphemy, war and peace
Screaming at youI can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static ageBillboard on the rise in the dawn's landscape
Working your insanity
Tragic a'la madness and concrete
Coca Cola executionConscience on a cross and
Your heart's in a vice
Squeezing out your state of mind
Are what you own that you cannot buy?
What a fucking tragedy, strategy
Screaming at youI can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static ageI can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static ageHey hey it's the static age
Well this is how the west was won
Hey hey it's the static age millenniumAll I want to know
Is a God-damned thing
Not what's in the medicine
All I want to do is
I want to breathe
Batteries are not includedWhat's the latest way that a man can die
Screaming hallelujah?
Singing out "The dawn's early light"
The silence of the rotten, forgotten
Screaming at youI can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static ageI can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static ageI can't see a thing in the video
I can't hear a sound on the radio
In stereo in the static age

The static age
