

Heartbeat

Sammy Hagar

I wasn't lookin' for a big romance
You play at love, you always take a chance
But I never thought, I'd be losing ground so fast
Don't know exactly what you did to me That started all this crazy, chemistry
And I've been waitin' around but the thrill just hasn't passed
Oh, can't you hear it my Heartbeat, goin' faster and faster?
Heartbeat and it's you that I'm after
Heartbeat, it tells me that its true
Oh can't you feel it my, heartbeat When it's racin' like fire, heartbeat
I'm so hot with desire, heartbeat
Heartbeat, feel my, heartbeat 'Cause it's all for you
I only thought it was a one night stand
But this affair has gotten, out of hand
I'm aware there's a feelin', I just can't keep it in Now I've gotta hold you, in my arms each night
We hit the rhythm and it sure feels right I gotta
Justify, my heartbeat doesn't lie
Come close and feel it my Heartbeat, goin' faster and faster
Heartbeat, yeah it's you that I'm after
Heartbeat, it tells me that its true
Oh, can you hear it's my, heartbeat When it's ragin' like fire, heartbeat
I'm so hot with desire, heartbeat
Heartbeat, you feel my heartbeat
On it's own, for you Heartbeat, heartbeat, heartbeat
Heartbeat, heartbeat, heartbeat Heartbeat, goin' faster and faster
Heartbeat, yeah, it's you that I'm after
Heartbeat, it tells me that it's true
C'mon and feel it my, heartbeat Just racin' like fire, heartbeat
I'm so hot with desire, heartbeat
Heartbeat, you're feelin' my heartbeat
It says it's all for you, oh yeah, heartbeat Heartbeat, heartbeat
Heartbeat, faster and faster
Heartbeat, heartbeat Racin' like fire, hartbeat, heartbeat
You're feelin' my, heartbeat
Heartbeat, faster and faster Heartbeat, heartbeat
Feelin' my, heartbeat
