

# Your Room

Tamar Braxton

Ooh, hey  
Don't you I love the way you take me to the limit  
Every time babe  
And don't you know ?  
I can't deny, boy that I love  
1 - I love, I love the things you do  
When we're alone  
Alone in your room  
I want, to open up  
And give you more of me this time  
When we're alone  
Alone in your room  
Your room, your room  
Alone in your room  
Your room, your room

Yeah when you kiss me all right there  
I can't describe the feeling deep inside, yeah, yeah  
When you touch me boy I wish it could last forever  
And a night, ooh  
2 - When you touch me baby  
I can't explain how it feels  
It makes me want to be with you always  
When we're alone I must admit that I  
Can not control myself you're so unreal  
Repeat 1

Repeat 2  
Repeat 1 till end
