

# Christmasey

Brian Wilson

It's finally here, it's that special season  
The day is near, you know that's the reason  
And it's smelling so Christmasey  
When we're smelling that Christmas tree  
And all the goodies are stashed away  
Waitin' for you on a silver tray  
And we're feelin' so Christmasey  
Like the feeling that it used to be  
And I'm happy as a little kid  
We're guessing where's the present's hid  
Put up the lights so we can see  
It's so Christmasey It's almost time to light up the candles  
The church bells chime it's a song of Handel's  
And the music's so Christmasey  
Percolatin' inside of me  
Like a little bit of Rock and Roll  
Like a little bit of Christmas Soul  
And we're feelin' so Christmasey  
(We're) goin' out on a shoppin' spree  
Give a present with a great big bow  
To a stranger we don't even know  
We'll have our fun and be carefree  
'Cause it's Christmasey Now's the time we've waited for  
Go let in the neighbor's 'cause they're knockin'  
So open the door And I'm feelin' so Christmasey  
Percolatin' inside of me  
And it gives me such a great big lift  
Makes me want to give myself a gift  
And I'm feeling so Christmasey  
I want someone to dance with me  
Christmas caroles are understood  
(They) let the people know we're feelin' good  
It didn't snow but we all agree  
It's still Christmasey...  
It didn't snow but we all agree  
It's still Christmasey
