

Lakeside Park / Anthem

Rush

Midway hawkers calling
'Try your luck with me'
Merry-go-round wheezing
The same old melody
A thousand ten cent wonders
Who could ask for more
A pocketful of silver
The key to heaven's door

Lakeside Park
Willows in the breeze
Lakeside Park
So many memories
Laughing rides
Midway lights
Shining stars on summer nights

Days of barefoot freedom
Racing with the waves
Nights of starlit secrets
Crackling driftwood flames
Drinking by the lighthouse
Smoking on the pier
Still we saw the magic
Was fading every year

Everyone would gather
On the twenty-fourth of May
Sitting in the sand
To watch the fireworks display
Dancing fires on the beach
Singing songs together...
Though it's just a memory
Some memories last forever

Know your place in life is where you want to be
Don't let them tell you that you owe it all to me
Keep on looking forward...no use in looking 'round
Hold your head above the ground and they won't bring you down

Anthem of the heart and anthem of the mind
A funeral dirge for eyes gone blind
We marvel after those who sought
The wonders of the world, wonders of the world
Wonders of the world they wrought

Live for yourself...there's no one else
More worth living for
Begging hands and bleeding hearts will only cry out for more

Well, I know they've always told you
Selfishness was wrong
Yet it was for me, not you, I came to write this song

Wrought
Wrought
