Hellsongs

I finished with my man cause he couldn't help me with my mind
People think I'm insane because I am frowning all the time (and)
All day long I think of things but nothing seems to satisfy
Think I'll lose my mind if I don't find something...Can you help me occupy my brain (x2)I need someone to
show me the things in life that I cant find
I cant see the things that make true happiness, I must be blind ('n so)Make a joke and I will sigh and you will
laugh and I will cry
Happiness I cannot feel and love to me is so unrealCan you help me occupy my brain (x4)
And as you hear these words I'm telling you now of my state
I tell you to enjoy your life I wish I could but its too late so
Make a joke and I will sigh and you will laugh and I will cry
Happiness I cannot feel and love to me is so unreal
