

Go On

Jack Johnson

In my review
I watch you watching the twilight
Behind the telephone lines
With nothing to prove, or to assume
Just thinking if your thoughts are different than mine

In my review
I watch you
I give you your life
Would you give me mine?
I see you slowly swim away
'Cause the light is leaving town
To a place that I can't be
There's no apologies
Just go on
Just go on
There's still so many things
I wanna to say to you
But go on
Just go on

We're bound by blood that's moving
The moment that we started
The moment that we started
I see perfect little lives
Watch the shadows of the clouds
And the surface of the ocean
Out the window of a plane
I get nervous when I fly
I'm used to walking with my feet

Turbulence is like a sigh
That I can't help but over think
What is the purpose of my life
If it doesn't ever do
With learning to let go?
Live vicariously through
You could do the same
It's the least you could do
'Cause it's a lonely little chain
If you don't add to it

So go on
Just go on
There's so many things
I wanna say to you
But go on
Just go on
We're bound by blood and love
The moment that we started
Just go on
Just go on
There's still so many things
I wanna say to you
Just go on
Just go on
We're bound by blood that's moving
The moment that we started
The moment that we started
