There's really not a lot that I care about now
There's really not a lot that I care about now
Somehow I can almost feel like I am here tonightThere's really not a lot that I care about now
There's really not a lot that I care about now
Somehow I can almost feel like I am here tonightToo many times when I'm starin' here
I can't look back a day to know what it was
Well all these fucks talk in circles
I won't stand for this shit
Now I don't even know who you are
Who you are?I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't knowThere's really not a lot that I care about now
There's really not a lot that I care about now
Somehow I can almost feel like I am here tonightToo many times when I'm starin' here
I can't look back a day to know what it was
Well all these fucks talk in circles
I won't stand for this shit
Now I don't even know who you are
Who you are?I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know[inaudible]
