(Verse 1)

Well its monday mornin' the work weeks dawnin'  
and as usual im runnin' late,  
I need to get my rear, in high gear  
if im gonna be there by eight,  
im sittin' at the table readin' the label  
on a jar of nescafe,  
yeah im sittin' here wishin' that I could go fishin'  
but I got to go to work today

(Chorus)

Im sittin' her wishin' that I could go fishin'  
but I gotta go to work today,  
hey I caint wait to get back on the lake,  
I sure could use sum new crank-baits  
put my paychecks in i'm late on the rear  
and there's a rig note I gotta pay,  
yeah im sittin' here wishin' that I could go fishin'  
but I got to go to work today

(Verse 2)

Well its seven forty three and I really outta be  
headin' on out to the truck,  
the boss is on a tare he's been a real night mare  
and i'm just about fed up,  
I got fifteen minutes and my heart aint in it  
but I gotta go anyway,  
yeah i'm sittin' here wishin' that I could go fishin'  
but I got to go to work today

(Chorus)

I'm sittin' here wishin' that I could go Fishin'

but I gotta go to work today,  
hey I caint wait to get back on the lake,  
I sure could use sum new crank baits,  
put my paychecks in i'm late on the rear  
and there's a rig note I gotta pay,  
yeah i'm sittin' here wishin' that I could go fishin'  
but I gotta go to work today

(Bridge)

There's a wall hanger waitin' for me,  
down near that old hallow tree,  
last time he broke my lin'  
oh heck its eight o three,  
put my paychecks in i'm late on the rear  
and there's a rig note I gotta pay,  
yeah i'm sittin' here wishin' that I could go fishin'  
but I got to go to work today

(Ending)

Yeah i'm sittin' here wishin' that I could go fishin'  
but I gotta go to work I dont wanna go to work  
but I got to go to work today

(Instrumental)
