Nineteen

Old 97's

19 is not the age of reason
I didn't have a reason
For setting you freeI've seen
A lot of love go sour
But that's not our love
Y'see the problem wasI was only 19Yeah I was only 19
I finished up with high school
Headed to a state school
Wandered into youBig screen
Kissing in a movie
God you move me around
We got seriously downBut I was only 19All I ever wanted to do
Was lie around in bed with youI was only 19
I was only 19I've seen
A lot of love go bad now
But that's not how our affair
Would have wound up I swearBut I was only 19All I ever wanted to do
Is lie around in bed with youI was only 19
I was only 19
