Red Thunder

Frances

Every head has a secret place
And every heart has seem bad that days
Don't you know
ohhohhohho
Take your train to a diffrent part
And find a light leadin' to the start
of a new page
ohhohhohho
No, it won't be easy when you go
And I probably cry on my own
But didn't you notice that for this
I've been holding you up
And carrying you through Red Thunder
Red Thunder
I see your telefone in front your eye
Your face ist telling me it's no surprise
That you're down
ohhohhohho
Take your seat and throw it far away
And start running and you wake up next to me one day
ohhohhohho
No, it won't be easy when you go
And I probably cry on my own
But didn't you notice that for this
I've been holding you up
And carrying you through Red Thunder
Red Thunder, Red Thunder, Red Thunder
Thunder, Thunder
Red Thunder, Red Thunder
oooooo oooooo
oooooo oooooo
Thunder, Red Thunder
