Save Today

Seether

Well fortune favor's not the young
Spoken word's and song's unsung, right?
I never learned from my mistakes
I guess I don't have what it takes, right?
I wish that I was strong, that I could walk away
All this time I've lost, I feel the cost repaidSo save today, the secret's that you prayed for
And wait, cause we deserve it so much more
So save, the secret's that your prayed for, awake
I'll see you on the other sideA tortured soul have I become
It keep's me safe and leaves me numb, right?
'Cause in this dream I'm wide awake
The one I love I did forsake, right?
I wish that I was wrong, that you'll come home again
All this time I've lost, I'll never find againSo save today, the secret's that you prayed for
And wait, cause we deserve it so much more
So save, the secret's that you prayed for, awake
I'll see you on the other sideSay you can help me nowSo save today, the secret's that you prayed for
And wait, cause we deserve it so much more
So save, the secret's that you prayed for, awake
I'll see you on the other sideSo save today, the secret's that you prayed for
And wait, cause we deserve it so much more
So save, the secret's that you prayed for, awake
I'll see you on the other side
