

# Son This is She

**John Leyton**

The monent I saw you,  
I knew that I'd love you,  
And a voice from above said Son, this is she  
The starts were gleaming  
as I kissed you  
and the voice from above said Son, this is she  
She you will love  
for all eternity  
Oh She who will be  
your one and only lover  
I knew that someday  
Love would come to me  
And the voice from above said Son, this is she  
She you will love  
for all eternity  
Oh She who will be  
your one and only lover  
I knew that someday  
Love would come to me  
And the voice from above said Son, this is she
