# You and Me (Paul Roberts Remix)

## Uniting Nations

You and me...If i gave you my loving
would you take it
If i opened your heart
would you turn the key
'cause i knew from the start
baby we could make it
we could make it together
you and meIf i gave you my loving
would you take it
If i opened your heart
would you turn the key
'cause i knew from the start
baby we could make it
we could make it together
you and meYeah, you and me
