I'm a River

Sam Lewis

Thereâ€™s a valley, not far from here
Beyond the dam, where all the water runs real clear
Youâ€™ll find everything youâ€™ve been looking for
There was a time when I could offer you much more
Would you believe it if ever you were told
Once I was worth more than my weight in gold
Where dreams and promises once flowed with such grace
Have all been washed up and dried on these banks
Youâ€™d run into me yes and Iâ€™d save your life
Iâ€™d have you singing I saw the light
But Iâ€™m a river full of heartache that youâ€™ll never swim
Well take one step closer, Iâ€™ll pull you in

Iâ€™ve seen trouble, Iâ€™ve seen pain
Got beat by the sun, I drowned in a rain
Found it hard to look straight ahead
All Iâ€™ve wanted lies on this river bed
But itâ€™s the gospel I heard a man say
You canâ€™t get back what you donâ€™t give away
With every seed Iâ€™ve sewn and love Iâ€™ve made stay
Lord knows Iâ€™m ready for the levy to give way
Youâ€™d run into me yes and Iâ€™d save your life
Iâ€™d have you singing I saw the light
But Iâ€™m a river full of heartache that youâ€™ll never swim
Well take one step closer, Iâ€™ll pull you in
Youâ€™d run into me, yes, and Iâ€™d save your life
Iâ€™d have you singing I saw the light
But Iâ€™m a river full of heartache that youâ€™ll never swim
Well take one step closer, Iâ€™ll pull you in
