

# Strut

## Progger

I want to start a revolution  
A type of personal solution  
We all have got our own pollution  
It's all about the execution  
You got something to say, your hands are tied, open your mouth, open it wide  
Let the freedom begin  
Get on the floor, just let it drive, don't it feel good, don't it feel hot?  
Feel the fire within  
I wanna see you strut, strut, strut, come on walk for me  
Strut, strut, strut, how you wanna be  
Everybody's looking for some love, but they don't know  
How to let it all hang out and that's why they're solo  
Solo, solo, don't wanna be solo  
Solo, solo, don't wanna be solo  
We're a complicated nation  
And now we're in a situation  
Let's take a Maybelline vacation  
And get yourself some validation  
You got something to say, your hands are tied, open your mouth, open it wide  
Let the freedom begin  
Get on the floor, just let it drive, don't it feel good, don't it feel hot?  
Feel the fire within  
I wanna see you strut, strut, strut, come on walk for me  
Strut, strut, strut, how you wanna be  
Everybody's looking for some love, but they don't know  
How to let it all hang out and that's why they're solo  
Solo, solo, don't wanna be solo  
Solo, solo, don't wanna be solo  
I'll be your mirror  
Darling, let your hair down  
Show me what you're working with  
And let me see you  
Strut, strut  
Strut, strut, how you wanna be  
Everybody's looking for some love, but they don't know  
How to let it all hang out and that's why they're solo  
Solo, solo, don't wanna be solo  
Solo, solo, don't wanna be solo

Strut for me and show me what you're working with  
Strut for me and show me what you're working with
