Who Do You Love (Rare Session)

Quicksilver Messenger Service

I walked forty-seven miles of barbed wire
Got a cobra snake for a necktie
I got a brand new house by the road side
Made out of rattlesnake hideGot me a chimney made on a top
Made from a human skull
Come on, take a little walk with me
Now who do you love?Who do you love?
Who do you love?
Who do you love?
Who do you love?Come on, Arlene, take me by my hand
Let me know that'll you understandWho do you love?
Who do you love?
Who do you love?
Who do you love?Ride nine times on a midnight train
Through the fire and cold rainWho do you love?
Who do you love?
Who do you love?
WhoA graveyard hand in the tombstone mine
Just twenty-two and I don't mind dyingWho do you love?
Who do you love?
Who do you love?
