Sonny loves you Lord Come on everybody! Everybody move!
Change it up a little bit,
Lets change it up a little bit Creativity in God, I wanna see all you people move
I don't care what sound of music you like,
I don't care what club you belong to,
I belong to the club of Jesus!
and I wanna praise him with you guys
So lift you hands in the air one time
Let the Lord speak to your heart
Do not leave, do not leave this fairgrounds
without God speaking to your hearts people,
We need it every day, every minute
Praise the Lord people You feel it? You feel the presence of God?
It's beautiful, It's wonderful,
It's satisfying, Everlasting,
