

# The Boss Is Back (Ornithology)

## Babs Gonzales

All the cats are standing on the corner  
Waiting for the chicks to finish their slave  
Then we can holler what you know babe  
Iâ€™ve got a Cadillac if you wanna ride  
Baby youâ€™d look real pretty by my side  
Iâ€™ll take you where you wanna go  
As long as you have got the bread  
Thereâ€™s nothing else that need be said  
Run across the street and cash your paycheck  
Iâ€™ll be waiting here til you make it back  
I couldnâ€™t move if I wanted to  
I need some gas and babe itâ€™s up to you  
So if you think that you would like to be  
my Cinderella for tonight  
When you get back here do right

;;;;;;;;;;

So run across the street and cash your pay-check.  
I'll be waitin' here 'til you make it back,  
I couldn't move if I wanted too.  
I'm outta gas and babe itâ€™s up to you,  
Bepop and swing is all I ever do,  
Except for maybe lovin' you.  
And Or-ni-tho-lo-gy's my tune!
