

Dancing Anymore (Psymon Spine Remix)

Is Tropical

No I won't, no I won't, no I won't
I won't let you move that way
'Cause I don't, no I don't
I don't let you move that way
No I won't, no I won't
I won't stand here whilst you sway
No I don't anymore No I won't, no I won't, no I won't
I won't let you move that way
'Cause I don't, no I don't
I don't let you move that way
No I won't, no I won't
I won't stand here whilst you sway
No I don't anymore You don't take me dancing anymore
Oh, you don't take me dancing anymore
Oh it's been a long time
Since I've been on the floor
Oh, it's been a long time
Since I've been on the floor No I won't, no I won't, no I won't
I won't let you move that way
'Cause I don't, no I don't
I don't let you move that way
No I won't, no I won't
I won't stand here whilst you sway
No I don't anymore You don't take me dancing anymore
Oh it's been a long time
Since I've been on the floor
You don't take me dancing anymore
Oh it's been a long time
Since I've been on the floor There's something dark in me
I can't live with these wounds
Grab me by the feet
And throw me into the groove No I won't, no I won't, no I won't
I won't let you move that way
'Cause I don't, no I don't
I don't let you move that way
No I won't, no I won't
I won't stand here whilst you sway
No I don't anymore You don't take me dancing anymore
Oh it's been a long time

Since I've been on the floor
You don't take me dancing anymore
Oh it's been a long time
Since I've been on the floor
Oh, you don't take me dancing anymore
You don't take me dancing anymore
You don't take me dancing anymore
You don't take me dancing anymore
