

Anklebiters

Paramore

Advisory - the following lyrics contain explicit language:

Why do you care what people think? Are you hooked up to the leash
You know, anklebiters
Ate up your personality Try to remember how it felt
You just make up your own sex
And the anklebiters
Chew up, spit out someone else You fall in love with yourself
Because Someday you're gonna be the only one you've got
Someday you're gonna be the only one you've got
Why you want a piece of what I need?
Just stop to drop dead
Someday you're gonna be the only one you've got What do you actually expect?
A broken mirror to reflect, you know, anklebiters
Gave you a false perception And why do I defend your ignorance
And why do I defend the state you're in, you should
Fall in love with yourself
All again
You fall in love with yourself
Because Someday you're gonna be the only one you've got
Someday you're gonna be the only one you've got
Why you want a piece of what I need?
Just stop to drop dead
Someday you're gonna be the only one you've got Anklebiters
Anklebiters
Someday you're gonna be alone
Anklebiters
Anklebiters
